

## Hitch Pins

## Hitch Covers

## Castings

Grey Cast Iron castings for any profile including this Hook are manufactured as per ASTM standards as specified by individual customers. Castings in Steel and Aluminum Alloy are also undertaken, in both gravity, open, permanent mould and pressure die casting. Heat treatment and inspection for each part would be carried out as required

## Ball Mount

## Receiver Tubes

## Reducers

## Hitch Locks

## Balls

Balls are available with and without collar in zinc and chrome finish. The steel is tempered to individual customer requirements.
