ABOUT US

Sakthi Engineering Works was Started in 1992. The Company has grown into one of the steel construction companies in chennai. We are doing steel fabrication and pre-engineering works facility at manali site.

As a Engineering contractor specializing in Building structures, PEB's Metal Roofing Sheets, AC Sheet roofing, North light glasses, M.S Gutters, PVC Down pipe, Conventional Structures, Staging, Mezzanine Floors, Pipe Racks and Tubular Truss works.

More over Sakthi Engineering works achieved accolades for successful design PEB structures roofing works for Ashok Leyland, MRF Limited, Manali petro chemicals, India Piston, Addison & Co, ITC Limited, E.I.D Parry Ltd, Simpson & Co, The K.C.P Limited, A.S.Shipping, Ramkrishna mission etc.., and we undertake Sub - Contract work also.

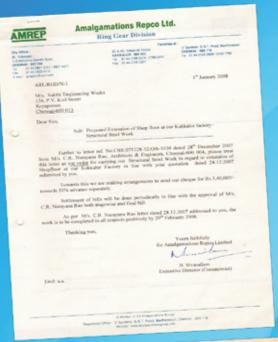

We collaborate with the project designers, understand the project specific preferences, clarify the available options and simplify the choices to meet the needs and expectations of the client with regard to time - frame, cost, quality, functionality, and sustainability.

We proudly say that we have technically sound pupils around us and we have very good advanced machineries like Submerged arc welding with us with good working atmosphere.

OUR PRODUCTS & SERVICES

- ★ Industrial structures Industrial buildings, PEB structures, composite structures, equipment support structures
- ★ Commercial steel structures Warehouses, Theatres, Showrooms, Multilevel Parking
- ★ Churches, School, auditoriums
- ★ Technical structures Chemical & Petrochemical Structures, stacks

Special steel structures - Bridges, Tanks, Parking Bays, Bus Shelters, Pipe racks, Miscellaneous (Staircase, Hand rails, Ladders, Gratings) etc.,
