

Piston Compressors

Professional and Industrial Line

L - Series Heavy Duty - Model 10120HL40X-3

- Cast iron construction
- Two stage
- ASME air receiver
- Low RPM
- Manual condensate drain
- UL approved pressure switch
- Loadless start
- Large intake filter/silencers
- Auto start/stop
- Pressure gauge indicator
- Easy access to belts
- Enclosed belt guards
- Vertical and horizontal designs
- ASME relief valve
- 2 Year Pump Warranty
- T.E.F.C. motors standard 10/15/20 HP - Avoids dust and humidity inside the motor
- Oversized check valves - Low pressure drop
- Notched belts standard - Less maintenance
- Powder coated - Higher protection against extreme corrosion
