

Elbows

We offer the largest selection of stock pre-bent pipe and tube bends which include economy formed elbows (with a seam) as well as mandrel bent elbows that have no visible seam. We have stock elbows that range in sizes from 1" O.D. to 3-1/2" O.D. and come in steel, stainless steel, and aluminum.

Stainless 1-1/4" pipe, 1-1/2" pipe, and 1-1/2" O.D. tubing elbows are bent with pre-polished material and may require some touch-up. All other elbows are supplied with a mill finish. For all other materials, sizes, radii, and finishes, please call for a quote.

These mandrel bent elbows have no visible seam. Stainless 1-1/4" pipe, 1-1/2" pipe, and 1-1/2" O.D. tubing elbows are bent with pre-polished material and may require some touch-up. Most sizes available in multiple radii.
