

Pipe Caps

At Stock Cap, you'll find everything from plastic plugs for NPT threaded pipes to large diameter vinyl flange covers. Here are some of our more popular pipe caps

Caplugs pipe caps protect pipes from damage and debris during shipping and storage. The pipe caps come in a variety of styles from threaded to vented and even Caplugs' patented Grip It & Rip It™ design for easy installation and removal. In addition, Caplugs pipe caps are available in multiple sizes up to 64-inches.

Our PVC Pipe Caps are ideal for traffic and signal posts. Their flexible design reduces the risk of cracking and helps prevent corrosion to the post. The flexibility of the PVC Pipe Caps allows for easy fitting.

- Ideal for traffic signal posts
- Flexible PVC design reduces the risk of cracking, avoiding corrosion to the post
- Flexibility allows caps to be fitted easily
