

Globe Valve

The company is dedicatedly involved in offering precisely designed **Globe Valve** used in numerous industrial applications. The designs in which we offer Globe Valve are bolted bonnet and union bonnet. Our Globe Valve can be designed as per the specifications provided by buyers. Moreover, our valves conform to all industrial standards and free from defects. We are capable of undertaking bulk orders of Globe Valve.

Specifications :

- **MOC** : C.I / C.S / SS 304 (CF8) / SS 316 (CF8M) SS 316 L (CF3M)
- **Pressure Rating** : 125# / 150# / 300# / 600# / 800# / 900#
- **Ends** : Flange End / Screwed End
- **Operation** : Wheel / Gear / Actuator
- **Size** : ½" (15 MM) TO 24" (MM)

Butterfly Valve

We offer our **Butterfly Valve** in different designs such as Wafer / Lugged / Offset Double & Tripple / Replaceable Seat. The company is the trustworthy Manufacturer, Exporter and Supplier of durable Butterfly Valve. Owing to its attributes like superb finish, high corrosion resistance and accurate dimensions, our Butterfly Valve is extensively in demand amongst buyers. Obtain from us, bulk quantities of valves at affordable prices.

Specifications :

- **MOC** : C.I / C.S / SS 304 (CF8) / SS 316 (CF8M)
- **Pressure Rating** : PN 10 / PN 16 / PN 20 / PN 25 / 150# / 300#
- **Ends** : Wafer / Lugged / Double Flanged
- **Operation** : Lever / Gear / Actuator
- **Size** : 1 ½" (40 MM) TO 48" (1200MM)

Diaphragm Valves

Our **Diaphragm Valves** are especially designed keeping in consideration the requirements of the buyers. Used in numerous applications, our Diaphragm Valves are accredited for their optimum strength, dimensional accuracy, high corrosion resistance and durability. We make available bulk quantities of Diaphragm Valves at very reasonable rates. Moreover, these valves conform to all industrial standards and thus free from defects.

Specifications :

- **MOC** : C.I / S.S
- **Ends** : Flange / Screwed
- **Size** : 1/2" (15MM) TO 12" (300 MM)

Non Slam Disc Check Valve

Are you in search of optimum quality Check Valves? If yes, then you have landed at right place. Our company is actively engaged in manufacturing, exporting and supplying of **Non Slam Disc Check Valve** in India. This Check Valve is available in sizes ranging from 15 MM to 250 MM. Our Non Slam Disc Check Valve is precisely designed keeping international quality standards in mind.

Specifications :

- **MOC** : SS 304 (CF8) / SS 316 (CF8M)
- **Pressure Rating** : PN 10 / PN 16 / PN 20/ 125# /150# / 300#
- **Ends** : Wafer / Screwed End
- **Size** : 1 1/2" (15 MM) TO 10" (250 MM)

Wafer Check Valve

Our company is one of the leading Manufacturers, Exporters and Suppliers of **Wafer Check Valve** in Delhi. Our expert engineers make use of high quality metal components in order to provide long functional life of Wafer Check Valve. Compact design, corrosion resistant and durability are some of the main highlights of our Industrial Wafer Check Valve. Buyers are free to place bulk orders and we ensure its timely delivery.

Specifications :

- **Design** : Single Plate / Dual Plate
- **MOC** : C.I / M.S / C.S / SS 304 (CF8) / SS 316 (CF8M) SS 316 L (CF3M)
- **Pressure Rating** : PN 10 / PN 16 / PN 20/ 125# /150# / 300#
- **Size** : 1" (25 MM) TO 24" (600 MM)
