

Needle Valve

We are into the business of manufacturing, exporting and supplying efficient **Needle Valve**. Made using high quality raw materials, our Needle Valve is accredited for its optimum strength, high corrosion resistance, excellent functionality and accurate dimensions. Buyers are free to place bulk orders for Needle Valve and we ensure its timely delivery. Moreover, our Needle Valve is reasonably priced.

Specifications :

- **MOC** : SS 304 (CF8) / SS 316 (CF8M)
- **Ends** : Screwed End / Flanged End
- **Size** : 1/4" (15 MM) TO 2" (50MM)

Air Valve

We are bracketed with the trusted Manufacturers, Exporters and Suppliers of different types of **Air Valve**. Made using superior grade materials, our Air Valve is appreciated for its precision make, durability, excellent finish and high corrosion resistance. We make available Air Valve in different designs such as single, double and kinetic. Moreover, bulk quantities of Air Valve can be obtained at reasonable price from us.

Specifications :

- **Design** : Single / Double / Kinetic
- **MOC** : C.I / C.S
- **Ends** : Flange End
- **Size** : 1" (25 MM) TO 8" (200 MM)

Gun Metal Valves

We manufacture, export and supply of high quality **Gun Metal Valves** used in numerous industrial applications. Gun Metal Valves that we offer are in compliance with the set industrial standards and accredited for their defect-free attribute. We offer gate valve, globe valve, N.R.V, foot valve and safety valve. In addition, we make available bulk quantities of valves at rock bottom prices.

Specifications :

- **MOC** : Gun Metal
- **Ends** : Screwed End / Flanged End
- **Size** : 1/2" (15 MM) TO 2" (50MM)

Pinch Valve

Compact design, corrosion resistance and durability are some of the major highlights of our **Pinch Valve**. We are the noted Manufacturer, Exporter and supplier of durable and highly efficient Pinch Valve. For the fabrication of our Pinch Valve, only high-grade raw materials are used. Our valve is free from defects and conforms to all industry laid standards. We offer bulk quantities of Pinch Valve at affordable rates.

Specifications :

- **Design** : Close / Open
- **MOC** : C.I / C.S
- **Ends** : Flange
- **Size** : 1" (25 MM) TO 14" (350 MM)

Safety Valves

Counted amongst the leading Manufacturers, Exporters and Suppliers, we offer only precisely designed **Safety Valves**. Our experts make use of high quality metal components in order to provide long functional life of our Safety Valves. Moreover, we are capable of undertaking bulk orders of Safety Valves and deliver the same within the stipulated time frame. Moreover, our Safety Valves are reasonably priced.

Specifications :

- **Design** : Spring Loaded / Angle Type
- **MOC** : C.S / S.S / GUN METAL
- **Ends** : Flanged / Screwed
- **Size** : 1/2" (15MM) TO 6" (150 MM)
