

Ceiling

From being the pioneers in plywood and veneer business to being the leading lifestyle brand in India, our journey has been a memorable one. A journey that has been eventfully marked by numerous pioneering achievements in the Interiors Infrastructure Industry. Today we touch the lives of Millions of Indians everyday with our various styles of furnitures. And this has been possible because of our passion for excellence in everything that we do. We help the clients to select the most suitable furniture according to their needs. Our experience has taught us the value of long term relationships with our customers.
