We are one of the leading manufacturers, distributors, suppliers, dealers of designer handcraft bags located in Bangalore, the IT Capital & Silicon Valley of India. With more than a decade of handful of experience and expertise in the field, we offer high quality and attractive products that are more durable. We give value for money. Hence our products are best priced and competitive in market.

With a vast experience in this field, we know that quality of the product is the main strategy behind success of every organization. Apart from maintaining high quality standards at every level of the manufacturing, we focus on prompt and on-schedule deliveries. Our products are unique combination of style, comfort and durable that has enabled us to develop a strong customer loyalty and relationship. Our manufacturing unit is well equipped with sophisticated & modern machines and tools that lead to zero defect products. All our employees are well experienced, dedicative and efficient in their work.
