

## Accessories

Manufacturing unique and timeless collection of art decor, lighting, furniture, gift and accessories based on Indian traditional art and craft fusions, our workforce is a cross section of craft-rich regions and production clusters spread across India, our methods are old-school to keep the art alive, our designs are contemporary, a combination like no other. Each product is handcrafted by talented artisans with utmost detail. Each masterpiece has its own story; all you need to find is the one the one that tells yours.
