

Fabric Sofas

The perfect fabric sofa is often the final piece of the puzzle in completing that dream living space and we're sure you'll be able to find your ideal match in our beautifully handcrafted design-led sofa collections.

Fabric sofas provide an unlimited variety of colour and pattern choices, making them suitable for a myriad of home interiors: classic, rustic, modern, or even statement. Our extensive catalogue also caters to a broad range of different types of fabric sofa: whether you're looking for lazy Sundays on a two seater recliner sofa, or a movie night with the family on a large fabric corner sofa. We have you covered.

The colour and pattern of your sofa is key to the dynamic of your living room and our collection offers a rainbow of possibilities. Fabric is durable, versatile, and our range of DFS sofas are handmade to order, providing your living room with the quality it deserves.
