

TS5060PMH-Mobile

TS5060PMH-Mobile has the same properties as the TS5060PMH except that the unit is mounted on a trolley, making it easy to move around. Suitable if you have many smaller systems you want to clean.

Applications

Suitable for cleaning many smaller systems such as elevators, presses, overhead lifts, small machinery, cranes, etc. The unit is well suited for rental companies to use on their own and others' fleet. Service and maintenance firms etc.
