

Globe Valves

Forged Steel Globe Valves

Specifications

- Forged Steel Construction
- Size: ½" to 2"
- Class#800, 1500
- Screwed, Socketed Ends
- Standard: BS 5352

Range of Material of Construction

As per ASTM Specifications, Carbon Steel, Alloy Steel, Low temperature carbon steel, Stainless Steel, Duplex Stainless Steel, Super Duplex Stainless Steel.

Range of Actuators

Manual – Lever Operated, Gear Operated, Pneumatic Actuated, Motorized with Complete Automation.

Cast Steel Globe Valves

Specifications

- Cast Steel Construction
- Size: 1" to 16" (Class#150)
- Size: 1" to 12" (Class#300)
- Flanged Ends
- Standard: BS 1873

Range of Material of Construction

As per ASTM Specifications, Carbon Steel, Alloy Steel, Low temperature carbon steel, Stainless Steel, Duplex Stainless Steel, Super Duplex Stainless Steel.

Range of Actuators

Manual Lever Operated, Gear Operated, Pneumatic Actuated, Motorized with Complete Automation
