

## **Finned Tube**

STAINLESS STEEL FINNED TUBES STOCKIST, CHECK HIGH FREQUENCY WELDED FINNED TUBES & CARBON STEEL FINNED TUBES AT BEST PRICE.

Tycoon Piping is one of the large suppliers & exporters for high quality Finned Tubes. The surface of these tubes is perfectly matched to your intended application. Finned tubes made by Tycoon piping are produced from plain tubes that have undergone a forming process. The tubes serve as highly compact, efficient, yet extremely stable heat exchangers. We have access to a broad spectrum of materials to ensure we use just the right material for your specific needs, for example concerning ductility and resistance.
