

Vaculex ML

One hand operated

Vaculex ML is a one hand operated vacuum lifter which is easily customized to adapt to most handling situations with loads weighing between 5 and 55 kg.

Large possibilities

Vaculex ML offers large possibilities to choose between a range of different control handles, suction feet and other options to optimize the lifting system for your specific handling situation.

Easy to apply to your changing needs

Vaculex ML has a modular design which also makes it easy to reconfigure the lifting system if your needs are changing over time.
