LOCOMOTIVE PARTS

We, ASPL EQUIPMENTS, are the exclusive "Marketing Representative" of M/s.ORX Railway Corporation, the Leading Wheel Shop, located in Pennsylvania, United States.We are in a position to offer different sizes of wheels and axles for Locomotives, Freight Cars, high speed passenger trains, metro coaches.

Our principals are one of the regular suppliers globally to the companies like Alstom, General Electric, New York metro, Bombardier, Siemens, Amtrack, Chicago Metro etc. etc.

Besides supply of wheels and axles, we sell various fast moving spares for Diesel Locomotives, used for shunting operations in Thermal Power Stations, Steel Plants, Cement Factories, Port Trusts & other industrial segments. Some of these locomotive parts are manufactured by our group and the remaining are sourced from those manufacturers approved by Indian Railways.

ASPL offers complete range of Railway Track fittings like Elastic Clip, PSC Sleepers, Wooden Sleepers, Grooved Rubber Pad, CMS Crossings, Fish Plates,Check Rails etc. etc.
