

SimplyGo POC

At Philips Respironics, we have earned our reputation for designing and building excellence into all of our products. Now, with SimplyGo Mini, you can offer your patients the choice for excellence in lightweight portable oxygen concentrators. Reliability matters to your business.

When you place a POC with a patient, you need to know that it's going to have the reliability and ruggedness to help your business:

- Eliminate recurring oxygen delivery costs and cylinder hassles
- Reduce maintenance costs
- Ease inventory management
- Minimize patient calls

SimplyGo Mini has undergone the same rigorous testing regimen as that of our SimplyGo POC. SimplyGo Mini was subjected to real-world conditions including impacts, vibrations, and temperatures to deliver reliable performance day in and day out. The SimplyGo Mini portable oxygen concentrator (POC) is designed to help you grow your business by giving you the ability

to offer light weight, attractive features, and true reliability that today's patients demand in a POC.

Simply smart design

As the smallest and lightest POC ever developed by Philips Respironics, SimplyGo Mini is built for today's patients with features like:

- Attractive and sleek design
- Easy-to-remove external battery
- Light weight (5.0 lbs.)
- Intuitive, easy-to-read screen
- Strong, comfortable carrying case
