

Aluminium Foil

This Kitchen Aluminium Foil Roll is perfect for packaging of snacks and fast foods in confectioneries and bakeries. Besides, we offer these products as per the requirements of our clients. Supported by experienced professionals, we are offering Aluminium Foil. This foil is highly demanded among our customers to use it in packaging of food, cosmetics and medicines. Our offered foil is manufactured using premium grade aluminum under the guidance of highly skilled professionals in compliance with set norms. Offered range is demanded among customers owing to their features like leakage-proof, high tearing strength and fine finish.
