

CPVC PIPES AND FITTINGS

Krishi Hot & Cold CPVC (Chlorinated Poly Vinly Chloride) Pipes & Fittings are made using the latest international raw material and technology. Our IS 15778 CPVC pipes are available from ½ " to 2" in both Class 1 & Class 2. Full range of fittings are manufactured in house according to ASTM D 2846 SDR 11 standard. These CPVC Pipes and CPVC Fittings are suitable for use in both hot and cold water plumbing.
