

## Gantry Crane

Gantry Crane is one of the most important Machine of any stone processing company and various other industries. We are Gantry Crane Manufacturer. Our Gantry Cranes are capable of lifting various load sizes as per requirement of client. These Gantry Cranes are manufactured as per custom requirement of buyer, so that it can provide optimum output to you, for your specific need.

Technical Data		Modal						
		I	II	III	IV	V	VI	VII
Capacity (in ton)		10	15	20	30	40	50	60
Span of Beam (in meter)		10- 50						
Cantilever overhang (in meter)		3 - 11						
Lifting Height (in meter)		5.5 - 11						
Operational Speed	Long Travel (meter/min)	13/20	10/18/8				10	
	Cross Travel (meter/min)	13.7/18	8.7/16				10	

Technical Data		Modal						
		I	II	III	IV	V	VI	VII
	Lift (meter/min)	2.5/7.8	2.2/2.78				10	
Motor Power	Long Travel (meter/min)	1.5	2	2	2	3	5	7.5
	Cross Travel (meter/min)	1.5	2	2	2	3	5	7.5
	Lift (meter/min)	10	15	20	25	30	40	50
Total Installed Power (hp)		14.5	21	26	31	39	55	72.5
