

## Earth Augers 71 Cc

|                       |                      |
|-----------------------|----------------------|
| Rated Power           | 2.4kW (3.2hp)        |
| Displacement          | 71cc                 |
| Engine                | 2-Stroke, Air Cooled |
| Fuel Used             | Petrol               |
| Speed                 | 280 RPM              |
| Weight of the Machine | 12kg                 |
| Fuel Tank Capacity    | 800ml                |
| Fuel Consumption      | 600ml/hr             |

|                    |              |
|--------------------|--------------|
| Output Performance | 45-60Pit /hr |
|--------------------|--------------|

**Earth Auger 63 Cc**

|                       |                      |
|-----------------------|----------------------|
| Rated Power           | 2kW(2.7hp)           |
| Displacement          | 63cc                 |
| Engine                | 2-Stroke, Air Cooled |
| Fuel Used             | Petrol               |
| Speed                 | 300 RPM              |
| Weight of the Machine | 9kg                  |
| Fuel Tank Capacity    | 1200ml               |
