

Drill Bits

DRILLING & INTERVENTION

AOSS is the authorised agent and distributor for Diamant Drilling Services in India.

Diamant Drilling Services (DDS) is a **Drill Bit manufacturer** based in Belgium. Most recently, Oilfields Supply Center Limited (OSC), a Dubai based products and equipment manufacturer and services provider in the Oilfield Industry, acquired DDS with 100% holding interest in April 2018.

Our Principles

DDS manufacturing facilities are located in Belgium, UAE and Saudi Arabia (opening soon); facilities are accredited API-Q1, API-7-1, ISO-9001 certifications.

The product offering of DDS includes:

- Steel Body PDC Bits
- Matrix Body PDC Bits
- Impregnated Bits
- Bi-Center Bits
- Casing Drilling Bits
- Coring Bits
- Staged Hole Openers
- Slick Well Reamers
