

Autoclave Verticals

Features

Temperature Range	121 to 125 deg C
Material	Stainless Steel
Shape	Vertical
Chamber Volume	20-25 Litre
Insulation Wall	Single Wall
Mount Type	Table Top Autoclave
Automation Grade	Manual
Pressure Range (psi)	15 PSI
Accessories	Dressing Drum / S.S.Basket
Installation	No
Warranty	1 Year
Capacity (Litre)	20 to 25 litre
Color	Stainless Steel

Finishing Type	Mirror Finish
Pressure Gauge Type	Dial Type
Usage/Application	Sterillization
Size	30 cm X 30 cm
Power Consumption (KW)	2 KW
Is It Rust Proof	Rust Proof

It is used for sterilization under saturated steam pressure at 15PSI Working Temp : 121 °C to 125 °C Complete stainless steel 30 x 30Cm

Models
