

## Powder Blender

- Powder Blender comprises of a U-shaped horizontal trough and a specially designed Double Helical Ribbon Agitator with Paddle rotating within. Blenders are based on a proven agitator construction that provides a triple mixing action ensuring fast, efficient blending. The dimensions and configuration of the ribbons are carefully balanced to provide a movement of material within the container that avoids dead spots and gives rapid product discharge.
- For Continuous Speedy & uniform mixing of dry and semi dry powders
- Spiral type Ribbon blades for three way mixing.
- Jacket - Cooling / Heating arrangement available.
- Capacity Available from 140ltr to 10kl depending on batch Size.
