AAK HANDLING EQUIPMENTS

About Us

Owing to the sharp business acumen and in-depth industry knowledge of our mentor, Mr. Nain Singh Yadav, we have been able to carve a niche for ourselves in the industry. Having an industrial experience of over 14 years, Mr. Nain Singh Yadav has been a guiding force and an inspiration for all of us to excel in whatever we do.

We are an Organization which offers an array of products required for efficient handling of materials.

We manufacture an array of Material handling equipment products : SS Hand Pallet Truck ,Hand Pallet Truck, Roll Pallet Truck, Roll Stacker, Drum Handler, Drum Lifter & Tilter, Drum Handling Trolley, Manual Stacker, Electric Stacker, Floor Crane, Tow Truck, Platform Truck, Dock Leveler, Scissor Lift Table, Mobile Ramp

We are a Group of technical people, hawk-eyed, leaving no stones unturned for continuous up-gradation of quality of products and infusion of most modern & latest technologies.

We are situated in Ghaziabad, the commercial hub of Uttar Pradesh in India, our manufacturing unit is equipped with the latest machinery and other tool equipment , we make use of the most advanced technology that enables us to provide equipment's like Lifting Equipment's, Hydraulic Stackers etc. that are at par with the international standard.

Moreover, our dedicated and committed team helps us in consistently maintaining our superior quality standards. Currently we manufacture and supply.
