

## Drill Shoes

We manufacture tailor-made Tubex and Odex drill shoes for drill bits in dimensions ranging from 114.3 mm (3 ") to 273 mm (10") and can also customize the shoes in every way for your needs, regardless of the thickness of the feed on the pipe.

Our drill shoes are largely sold to major wholesalers, including DAHL .

We are open to all suggestions and we can help you find the right measure for your feed tube to make the accuracy the right one.
