

# Brake Lining

---

Our products are manufactured from quality tested ingredients which ensure its rich quality and safe usage. We are one-step ahead of our competitors in offering a wide range of Brake Lining. Brake linings are the consumable surfaces in brake systems, such as drum brakes and disc brakes used in transport vehicles. Under this category, we offer rubber brake linings, asbestos brake linings, automotive brake linings, which are made using a unique blend of ingredients such as asbestos, friction dust, resins etc.

## **Features :**

- Highly demanded
