

Life Jacket

Ideal as a simple lifejacket for use in just about any kind of boat, also ideal as a safeguard for general use around water – for example around swimming pools, the beach etc.

Provides great freedom of movement due to the divided foam buoyancy compartments. Has a flat collar, zip and belt, tie cords top and bottom, crutch strap, and signal whistle. Also features 3M reflex stripes, which reflect searchlights to a distance of 1.2 miles.
