Warm greetings!!!

SWEN TECHNOLOGIES, an ISO 9001:2015 Company, was established in the year 2017 as a leading manufacturer of Electronic Weighing Scales and has its manufacturing facility at Coimbatore, the Manchester of South India, in the state of Tamil Nadu. The company under the brand name of '**BUVI**' manufactures electronic weighing scales and also involved in trading all kinds of weighing spares, cash counting machines, etc.

We are focused on delivering premium quality to our customers and thereby manufacturing Table Top Scale, Chicken Scale, Heavy Duty Platform Scale, 4-Load Cell Floor Scale, Trolley Scale and Animal Weighing Scale with very high standards.

Our manufacturing facility includes equipment with the latest technology and skilled workforce from the top to bottom of the hierarchy to fulfill the above objective.

Our presence in this domain for more than a decade has always supported us to build best in class products at a competitive price without compromising the product's quality.

Why Us?

By delivering flawless products and having in-depth knowledge of this sphere, our company has been able to attain a distinct niche in this market. In addition, the factors responsible for our enormous achievement in the market are as follows:

- Timely completion of orders
- Own in-house fabrication unit
- Transparent business dealings
- Affordable rates of products

Our Infrastructure

Our organization is supported with the facility of hi-tech infrastructure, where all our production related activities takes place in an efficient manner in our in-house fabrication unit. Our infrastructure is facilitated with sound machines that are managed by our trained, devoted and skilled personnel. For having smooth conduct over occupational activities, this infrastructure base is parted into several segments such as manufacturing, sales, warehousing, packing, R&D and logistics.

PRECISION SCALE SERIES

J Series

Available Sizes				
Series	Capacity	Accuracy (Dia)	Pan Size	Class
STB-J 100	100g	0.001g	90	II
STB-J 300	300g	0.01g	120	II
STB-J 600	600g	0.01g	120	II
STB-J 1000	1000g	0.1g	120	II

TABLE TOP SERIES

P Series

- ✦ High Accuracy Load Cell
- ✦ RS 232 Interface (optional)

Available Sizes

Model Name	PF Size (mm)	Capacity (Kg)	Accuracy (gm)
V Series Mini	175 x 225	10/20	1/2
W Series	175 x 225	10/20	1/2
M Series Mini	175 x 225	10/20	1/2

FIELD SCALES

CD Series

CS Series

CS Series

*Best in class
Weighing system*

Features

- ✦ Strong & Sophisticated Design
- ✦ Easy to Carry
- ✦ Powder Coated Structure
- ✦ Separate Battery Cover
- ✦ External Calibration Facility
- ✦ Separate Tare Switch
- ✦ High Accuracy Load Cell
- ✦ Bright Green LED Display

Available Sizes

Model Name	PF Size (mm)	Material	Capacity (Kg)	Accuracy (gm)
CS Series	400 x 400	Chequerd/ss	150/300	20/50
CS Series	500 x 500	Chequerd/ss	150/300	20/50
CS Series	600 x 600	Chequerd/ss	150/300	20/50
CD Series	300 x 300	Chequerd/ss	50/100	5/10
CD Series	400 x 400	Chequerd/ss	150/300	20/50

PA Series

Partnering
your Need
perfectly

Features

- ✦ Own Fabricated Structure
- ✦ Powder Coated Frames
- ✦ Heavy Frame Structure
- ✦ Overload Protection
- ✦ Bright LED Display
