

## Display

### **BT8201A (10.1" TFT)**

Standard LCD Module, 1024 (RGB)x600Dots graphic type, 10.1" TFT LCD, COG bonding type, Wide temperature, With LED back light

### **Applications**

- Elevators, Process Control & Automation, Water Meters, Taxi Fare Meters, Home Automation, Handheld POS terminals, Ticketing Machines, Fuel Dispensers and Petrol Pump Automation, Porcess Cotrol and Automation Systems, Instruments.
- Switchyard, Substation, PF Correction, Electrical Panel, HVDC,
- Cement, Paper, Tyre, Sugar, Aluminium, Chemical, Steel,
- Positioning & GPS systems, Ruggedized displays and notebooks, Packaging Machines
- Mobile Handsets;
- Water Purifiers;
- Megha Screens and Displays,
- Home Lights, Inverters, Wind- Inverters;
- ECG, EEG, BP & Glucose Meters and Analyzers, Telemedicine, C - Arm;
- Printers, Tablets;
- Smart Cards, Security, Safety, Access Control, Toll Centres, Asset Tracking, Animal Tracking,
- Boat Tracking;
- Power Train, Dash Board, Engine Monitoring & Control, RKE, In Cabin Infotainment, Body Electronics, Ignition, Power Windows, Steering Control, Flashers, Instrument Clusters, ABS, Immobilizers
- Printers, Tablets, Thin Clients, ATMs,
- Smart Cards, Security, Safety, Access Control, Toll Centres, Turntiles, Asset Tracking, Animal Tracking, Boat Tracking, Fleet Management and Tracking
- Power Train, Dash Board, Tail and Head Lamps, Engine Monitoring & Control, RKE, In Cabin Infotainment, Body Electronics, Ignition, Power Windows, Steering Control, Flashers, Instrument Clusters, ABS, Immobilizers

## **Segmants**

- Industrial Electronics
- Power Generation & Distribution
- Industrial Processes
- Defense & Aerospace
- Telecom
- Consumer Electronics
- Lighting
- Renewable Energy
- Ites & Peripherals
- Automative
- Ites & Peripherals
- Rfid
- Automative
- Material Handling
- Medical & Healthcare
