

Digital Manometers

DIGITAL PRESSURE CUM VACUUM GAUGE

Range: 0 to 150 PSI

Battery Operated: 9V

Speciality

DATA HOLD, MEMORY BACK UP, BACK LIGHT

UNITS: bar, mbar, psi, inHg, mmHg, Kg/cm², in H₂O

Allied corporation Tools is leading Manometer manufacturer in India. Owing to our immense years of industry experience, we are offering a huge array of Manometer. The offered manometer is meticulously tested on various quality parameters and is widely demanded in various industries.

Provided manometer is manufactured by utilizing optimum quality raw material and the latest technology at our manufacturing unit. In line with the international standard, we provide the entire range in various customized options and at affordable prices.

We are recognized as successful name of Manometers in the market at the present scenario. Suitable for measuring purposes, this item is provided in superb functionality and in different sizes. Our creative designers utilize quality approved raw material and latest techniques in order to manufacture this one. Our quality controllers stringently check the entire range to ensure its superior performance.

The Manometer is very specially created and developed for measuring pressure, differences in vacuum pressure flow and also liquid levels accurately. These can be found in the markets as wall mounted single limb manometers as well as stand mounted versions.

Features:

- Large Dual LCD with backlight
- Data hold
- Max / Min / Avg value with relative time stamp
- Zero adjust, offset and DIF function
- Auto Power off
- Low battery indication
- USB Computer Interface
(Advanced Software program for all windows)
- Robust construction
- Compact size
- Durability
- Excellent strength
- Accurate reliable pressure testing

- Low maintenance
- Varied sizes
- Resistance from external factors
- Elevated durability

Applications:

- Scientific laboratory
- Research centers
- Chemical industries

Specifications:

- Casing : M.S. /Aluminum Casing from three sides and aluminum cover with transparent acrylic front
- Scale : Scale milky white PVC with Black Color Lining and figures
- Painting : Industrial Grade painted / Powder coated
- Zero adjustment scale Wall / Stand mounted
