Lead in the shape of Pipes, Tubes, Rods, Sheets, Plates, Wires, Angles, Coils, Strips, Billets and the entire range of Pipe Fittings such as Buttweld/Socketweld/Screwed/Forged & Compression type with Ferrules such as Elbows, Tees, Reducers, Stub ends, Flanges, Unions, Caps, Nipples, Couplings, Elbowlets, Weldolets, Nuts, Bolts, Studs, Washers, Valves & Gaskets etc.

We deal in products having wide applications in various industries such as:

- Oil Refineries
- Chemical Plants
- Fertilizers
- Plants
- Petrochemicals Plants
- Sugar Mills
- Pharmaceuticals Plants
- Textile Machineries
- Industrial Machineries
- Power Industries
- Cement etc.

We cater to all types of clients irrespective of their size of requirements. We always put the customer's & their requirement first, understand them, suggest, source & supply the material at the right price & right time.

Right product for the right requirement at the right price, i.e. rather than a mere supplier of the product we take utmost efforts in understanding the client's requirement, identifying the right product at the right price. This has resulted in close ties with major customers within India.

As per our corporate philosophy of "**Source, Supply, Service**" which is wholeheartedly believed and practiced not only by the management but also all the other staff members. No wonder many of our clients are there with us for the last 18 years for the quality of our products, our service & prices.

Quality Policy

OUR EXCELLENCE

Quality is our prime concern. We are able to maintain high quality standards through our committed personnel and sound infrastructure. We ensure that finest quality material is used for our products. To ensure the quality of each material, we are providing Materials test Certificate along with supply. Our team of experts maintain a vigil on the quality of the products. Every single piece is attached with test certificates and reports. We are continually improving our quality to serve our clients better.

OUR FACILITIES

We have a sound infrastructure. Our spacious warehouse has the capacity to store large quantities of products. We possess a team of experts who are sourcing products of international standard to keep abreast with the global markets. Our qualified professionals have served as a beacon not only for us but also for the entire industry in establishing top-notch quality standards.
