“Premier Pipe Fittings co.” were established in the year 2002 (more than 32 years of experience) for manufacturing, stocking & supplying quality products viz. Forged Pipe Fittings & Flanges of various sizes and types in Carbon Steel, Low temperature Carbon Steel, Stainless Steel, Alloy Steel material and supplied under the brand name ‘PREMIER’ to various Chemical, Fertilizer, Petrochemical, Power Generation and Pharmaceutical industries, and used widely in the Piping system for their project jobs and maintenance.

The “Premier Pipe Fittings co.” has drawn together under the one roof of the total spectrum of trading, stockholding and processing activities in Stainless Steel, Carbon Steel, Nickel Alloy, Alloy Steel, Copper, Brass, Monel, Inconel, Aluminium, Hastalloy, Lead in the shape of Pipes, Tubes, Rods, Sheets, Plates, Wires, Angles, Coils, Strips and the entire range of Pipes Fittings such as BW/ SW/ Screwed/ Forged & Compression Type with Ferrules such as Elbow, Tees, Reducers, Stub ends, Flanges, Unions, Caps, Nipples, Couplings, Elbowlets, Sockolets, Weldolets, Nuts, Bolts, Studs, Washers etc.

Right product for the right requirement at the right price, i.e. rather than a mere supplier of the product we take utmost efforts in understanding the client's requirement, identifying the right product at the right price. This has resulted in close ties with major customers within India & World-wide.

Quality Policy

Our key directive is complete customer satisfaction.

We provide our customers with product and services that confirm to all requirements.

We develop quality objectives at appropriate level to ensure those requirements are effectively addressed in our business.

We are fully committed to continuous improvement as a strategic approach to achieve these quality objectives.

Our policy and associated quality objectives are reviewed and communicated to all employees on a regular basis.

At Premier Pipe Fittings co. our employees adhere to and contribute to the efficiency of our quality system in every aspect of our business. Our commitment guarantees to provide our clients with uncompromising quality and service. This is achieved through a team approach where all the members are aware of the company objectives and work within their own discipline to make an effective contribution.

To verify that the supply made to our clients exact specifications, our quality control team combines technical expertise, knowledge of industrial standards and the latest inspection tools and machines to meet all requirements. Particular attention is paid to high quality, tolerance and traceability

Our quality assurance program maintains the highest level of quality and actively contributes towards establishing and achieving the corporate objectives. Quality people, quality engineering and quality products.

These are the key to Premier Pipe Fittings co. continued growth.

Our commitment guarantees to provide the customer with uncompromising quality, responsive service, competitive pricing and on time delivery. This is achieved through a team approach where all the members are aware of the company objectives and work within their own discipline to make an effective contribution.

The quality assurance system is guided by principles that support our unique working culture which incorporates respect, self management, open communication and creativity.

These principles are:

We strive to be the best in our industry.

We care about our customers, our suppliers and partners.

We do our absolute best to honor our commitments.

We strive to always act with integrity and fairness
