

About Us

Divine Metal Industries is a leading manufacturer, stockist & distributor of Stainless Steel and Alloy Steel pipe, tube, pipe fittings, tube fittings & flanges. We have been involved in manufacturing and supplying stainless steel 316 pipe fitting & tube fitting since 2 decades. We hold great expertise in sourcing needs of clients for nickel based Alloys. Our aim is to provide best services in the industry and over the years we have gained much prominence due to propulsion and expertise in high nickel alloys. We thus handle each of our clients' queries with great sincerity and help them figure out their requirements.

We have an excellent sourcing nexus with the manufacturers of various products, as per the requirements of the customers. Thus we are able to elevate the standards of commitment and quality. We are enlisted by various **Govt. Department, Oil & Gas, Project Engineers, Turn Key Projects and all EPC Sectors.**

Most competitive price we quote and our delivery will be strictly as per your schedule. Necessary testing & inspection, Third party inspection prior to supply etc. will be arranged by us. Our technical representative will visit your office and works if necessary to discuss about technical points of sensitive requirements whenever you require.

In order to maintain the highest standards of quality we make sure that each and every unit is individually inspected and tested, thereby cropping out the scope of any sort of anomaly. Great emphasis is placed on making our products in an environment friendly way and prevent any kind of harm to the nature. We are known across our clients for fast delivery of highly products and we have a very low rejection rate. We put great efforts in catering to the needs of our clients and thus we have a huge base of happy customers.

Our head office is located in Mumbai, India. **Divine Metal Industries is certified by ISO 9001: 2008** for continued excellence in providing impeccable quality products to its customers.

With **Divine Metal** expanding claws in the export arena, we have huge ambitions to capture the imagination of the world by providing German quality products at much better sourcing considerations.
