

About Us

Air Grip Group Establishment	Sins 1988
Location	Jamnagar City (Gujarat) INDIA
Factory	Plot # 3966, GIDC-III, Dared, Jamnagar - 361 004 (Gujarat) India
Present Business Scope	Manufacturing & Exports of Copper Alloy based Brass Engineering Turned parts & Components,
	Screw Machine Parts & Fasteners,
Key Persons	Ketan Shah, Managing Director
	Deepak Shah, CEO/Director
Quality Accreditation	ISO 9001 by TUV
Specialization	Brass Turned Parts, Precision Turnning Components, Screw Machine Parts & Fasteners as per
	Customers Drawings, Samples & Requirements Exclusively in Brass & Other related Copper Alloys.
Key Operating Machines	In-House Raw Matrial Casting Plant
	Automatic Bar Turning Trobe Type Lathe Machines,
	Multi Station Rotary Disc Transfer Indexing Machines for Secondary Operation
	Semi Automatic Thread Copying machine for Secondary Operation,
	Dril machine,
	Milling Machine
	In-House Plating Plant

Product Compliance	
Certification	ISO 9001 / 2008
Export Turnover	50% of Annual Turnover
Industries Served	- Electrical Distributions Equipments
	- Automobiles
	- Tele Communications
	- Industrial Assembly
	- Construction
	- Engineering Plastic & Rubber Molding
	- Sanitary Fittings
	- Utility Meters
	- Electronics
	- Computers and Peripherals
	- Construction
	- Agriculture & Heavy Equipment
	- Gas
	- Heating & Ventilation
	- Penumatic
	- Appliances
	- Marin Engineering
Exporting Countries	France, Germany, Italy, United Kingdom (UK), United States of America (USA), Switzerland, Spain,

	United Arab Emirates (UAE), Denmark, Japan, Swedan, Singapore, Middle East,
Work Space	Presently 50,000 Sq. feet: 10,000 Sq. feet Covered
Membership	Indo German Chamber of Commerce
	Indo French Chamber of Commerce
	Engineering Export Promotion Council of India (EEPC)
	Indian Electrical and Electronics Manufacturer Association (IEEMA)
	Federation of India Export Organization (FIEO)
Bankers	AXIS Bank
