

Company Profile

PUNJAB METAL WORKS is a well known name in the field of Valves & Boiler Mountings Manufacturing Industry, manufacturing valves & boiler mountings to cater the need of Indian & Global Market for domestic & Industrial applications with stringent quality control.

The company is manufacturing Valves, Cocks & Boiler Mountings in ferrous & non-ferrous metals with most advanced techniques & manufacturing facilities under the brand name "ELEMS" since the last 47 years. The ELEMS range of Industrial Valves, Boiler Mounting, Marine valves for WOG services are produced to meet the demanding needs & high specification requirements of the customers.

ELEMS growth is reflected by its modern manufacturing setup. Finest metal & material is used to manufacture valves. Project activity is handled by an in-house engineering department from casting to dispatch, where each valve has to pass from different quality checks. Works is equipped with CNC Machines, Shell Moulding Machines, Gang Drilling Machines & other latest testing facilities in chemical & physical testing laboratories.

Besides, company possess a series of modernized equipments, it also owns a group of highly qualified & experienced technicians as well as production troop. Products are manufactured as per company's own standards, ISI specifications (ISI Marked) & IBR regulations (with IBR certification). A wide range of C.E Marked Valves are also available duly certified by TUV. Pressure testing (hydraulic, pneumatic, steam & oil) of each valve is carried out.

The quality management system of the company works as per ISO 9001:2008. We sincerely welcome customers to establish a stable & long lasting business relation with us to create a magnificent future for mutual growth.

Quality Policy

We are committed to manufacture and supply the quality valves to our customers to their entire satisfaction and will strive hard to improve the effectiveness of Quality Management System.

- Message From The Top

M/s Punjab Metal Works is a company with a family tradition and this has been integral to its success since its foundation in 1965 by my grandfather Late Shri Mahlaram Dhawan & my father Late Shri Harbans Lal Dhawan.

We have reached a new era where my son Atul Dhawan & my grandson Abhay Dhawan is now providing a continuity of the management of M/s Punjab Metal Works.

I very much look forward to work with our customers in the future & would like to thank you for your past & continued patronage.

MANOHAR DHAWAN
(Managing Partner)
