

Company Profile

Kushal International was founded in the year 2008 in Punjab, India. The company is a manufacturer and supplier of Industrial Products and also willing to serve them in international market. All the affairs of the company are managed under the guidance of Er. Kusshal Maggo, the owner. It is under his headship, we have carved a niche in the market as a reputed supplier of Industrial Products. Here are the few highlights of the company that depicts our credibility in the market.

Team

Our business endeavors are supported by qualified professionals that include engineers, technicians, administrators, accountants and other skilled and semi-skilled labors. With this adroit team, we manage the production, packaging and distribution processes efficiently. The team acts in the best interest of the clients and strive to serve them in the best manner.

Quality Assurance

Following stringent quality policy right from the procurement of raw materials to the final distribution, we develop high grade products that render consistent performance without any wear and tear. We also conduct systematic monitoring of various processes involved and thus maintain a strict quality policy.
